$7,600 Carl H. Westcott Fellowship

Deadline for applications: 31 January 2013
for TRIUMF and TRIUMF-related graduate research

http://cpp.ualberta.ca

Eligibility

- Canadian citizens or permanent residents who will receive their graduate degree on or after 30 April 2013.
- Thesis work based on activities using the TRIUMF primary proton or secondary channel beams, ISAC or medical physics facilities.
- Off-site research programs, provided that the candidate has significant research activity at TRIUMF.
- Projects that are part of ATLAS, Linear Collider R+D, experiments at SNOLAB or T2K.

Endowed by Mrs. Kathleen B. Westcott, augmented by the Government of Alberta and matched by the University of Alberta.
